**OPENING OF THE AKATSA AGENCY**

---

Brussels, July 16, 2024

Based in Brussels, the Akatsa agency opens its doors!

A 360° communication agency, Akatsa specializes in developing the image of high-level athletes. Initiated by founder Marvin-Wilfried Fando, this structure aims to make a lasting impression and build a remarkable career through the ages.

Composed of a team of young professionals in their respective fields, Akatsa's mission is to create a strong, coherent, and positive image to trigger a decisive momentum in each athlete's career.

Passion, rigor, and excellence: these are the values upheld by the Akatsa agency. Every team member is driven by a fundamental mindset that embodies an unwavering commitment to quality and achievement. Each project is crafted with care and determination in a constant quest for permanent excellence.

The Akatsa agency represents a set of several values.

**TEAM SPIRIT** : At Akatsa, clients are considered family members. The agency operates in a spirit of sharing, working hand in hand to achieve common goals.

**EXCELLENCE** : As passionate sports enthusiasts, we are driven by an unwavering commitment to quality and accomplishment.

**DIVERSITY** : At Akatsa, the diversity of talents and multiculturalism are valued.

**WELL-BEING** : Well-being is a golden rule applied by the team and the athletes.
